**DEVELOPMENT & PEACE:** For too long Canadian Mining Companies have been shirking their human and environmental rights responsibilities in the Global South. Loopholes in the laws need to be closed so that due diligence will be followed, and these companies will be held accountable for any environmental and human rights abuses. Development and Peace has been raising the issue in Parliament, and we at St. Monica's have also contacted our MP Marc Garneau and hope to speak with him soon. Let us know if you would like to join the delegation by contacting Kim Piché at: [kpiche@diocesemontreal.org](mailto:kpiche@diocesemontreal.org) or if you didn't sign the petition last year, you can add your name online at: <http://www.devp.org/en/campaign/people-planet-first/take-action/#petition>.
