### DEVELOPMENT & PEACE – Training next generation of farmers in Indonesia

In rural Indonesia, young people are abandoning agriculture to work in cities. Over time this could threaten food sovereignty. Our partner PayoPayo empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youth especially women.

Next weekend is the annual collection for Development & Peace. Archbishop Lepine has sent a letter to all parishes urging parishioners to give generously to D&P. D&P relies on the generosity of Canadian Catholics to continue their vital mission.

You can find an envelope marked Development & Peace in your envelope box or take an envelope found in your pew. You may place your donation in the collection basket next week.

### SPRING BREAK

Reminder: Faith First and Children's Liturgy will resume next weekend March 16-17.
