There was a lengthy discussion about the current Parish listings. Paul met with Gina to discuss this matter. He is currently creating a database that will capture all relevant information on the Parish form. Authorization is needed to obtain these forms.

Sharon's proposed letter to the Wardens was discussed, changes were suggested and then it will be sent to Ken Saldanha.

It was suggested that the Parish form be attached to the weekly e-mail.

The Book Club will be announced in the invitation to Mass along with a link.

### Associate Pastor's Report

Fr. Lloyd reported there one wedding is being planned and 3 baptisms;

There will be changes to the live-streamed Mass. The gradual additions to the crib scene during Advent was very successful. A 'child' oriented Mass is being planned.

The Mass planned for children was cancelled and hopefully another will be planned.

Christina raised the issue of Faith First. Fr. Ray will be in touch with Jennie and the availability of resources for adults and children on-line should be posted on the website.
