

STATIONS OF THE CROSS

Next Friday, March 31st, is our last Friday for the Stations of the Cross. Is not the Way of the Cross the way of every person's life? Doesn't every life have suffering, falls, hurts, rejections, condemnations, death, burial... and resurrection? It has been a Catholic tradition through the centuries to meditate on the Way of the Cross, so that it becomes our way of life. Mary, the Mother of Jesus, made that first way of the cross. The stations and words are not the heart of the matter; the heart of the matter is to go deeper and deeper into the sufferings of Christ, so that we might come out of this spiritual journey with an appreciation of what Christ did for us, and a deeper love for him and for our brothers and sisters. "We adore you, O Christ, and we praise you, because by your holy cross you have

redeemed the world." ***Please join us together in church while we will pray the Stations of the cross on our last Friday following the 8:30am Mass.***

DEVELOPMENT & PEACE - CREATE HOPE, STAND FOR THE LAND

This Solidarity Sunday, Development and Peace thanks you for your financial support. So much of their solidarity work with our suffering sisters and brothers is dependent on your donations. Raquel Soto of Columbia says, "The support we have received from Development & Peace has been very important for me. It allowed me to find myself and live again. Development & Peace challenges itself to practice Solidarity, not just charity. They believe God's love is expressed by standing with and for the hungry and oppressed. God's love is to think and act with these communities.
