Dare to Become Aware: Laudato Si' Meeting

"Dare to become aware of what is happening in the world: dare to turn it into our own personal suffering and then discover together what each of us can do about it." (LS, 19) Pope Francis is inviting us to be more connected to the beauty of creation and to be actively involved in eliminating the root causes of the suffering caused by environmental problems. The encyclical Laudato Si' takes on the hard issues of our times and challenges us to act. Catholics around the world are responding to the message in many different ways. Come and join us for an initial visioning meeting where Catholics across the Diocese of Montreal can connect with one another and discuss possible directions to take in response to the appeal of Pope Francis to care for our common home. This meeting will take place at the Archdiocese of Montreal (2000 Sherbrooke St. West) on **Thursday, November 8, 7:15-9:00 p.m..** For more details or to sign up please contact Kim Gottfried Piche at the Diocesan Social Action Office at 514-7311 ext. 205 or KPiche@diocesemontreal.ca
