THE BAPTISM OF THE LORD: A REMINDER OF OUR CALL

The Baptism of Jesus, which we celebrate this weekend, marks the end of the Christmas season and the beginning of Jesus' public ministry. Although Jesus was sinless and had no need of repentance, He chose to be baptized by John in the Jordan to fully identify Himself with humanity and to sanctify the waters for our salvation.

At the Jordan, the mystery of the Holy Trinity is revealed: the Son stands in the water, the Spirit descends like a dove, and the Father's voice proclaims, "You are my beloved Son; with you I am well pleased" (Mk 1:11). This moment reveals who Jesus truly is and what His mission will be—to bring God's saving love to the world through humility, obedience, and self-giving love.

For us, the Baptism of the Lord is a powerful reminder of our own baptism. Through baptism, we were cleansed from sin, made children of God, incorporated into the Church, and called to share in Christ's mission as priest, prophet, and king. We no longer belong to ourselves; we belong to Christ.

To live our baptismal call means to reject sin daily, to listen to God's voice, and to witness Christ in our words and actions. It means choosing humility over pride, service over self-interest, and faithfulness over comfort. Strengthened by the sacraments, especially the Eucharist, we are sent to be light in the world and signs of God's mercy. As we reflect on the Baptism of Jesus, let us renew our baptismal promises and strive to live each day as beloved sons and daughters of God.

FAMILY TREE: A LIVING LEGACY AT ST MONICA'S

As we began celebrating the 75th Anniversary of St. Monica's Parish, one of our first initiatives was to refocus our vision for the future under the theme: "Preserving the Past, Building the Future." Guided by this theme, we launched several fundraising efforts to support the long-term needs of our parish. With your generous support and, above all, by the grace of God, these initiatives have been steadily moving toward their goals.

One of the most meaningful and well-received projects has been the Family Tree Project. This initiative not only helped raise funds but also created a lasting spiritual legacy—honoring our loved ones by engraving their names on the leaves of the tree, symbolically placing them in the loving presence of God and within the living history of our parish.

We sincerely thank all those who have already participated. Your support is deeply appreciated. If you have already added a leaf, we kindly invite you to share this opportunity with others—family members, friends, neighbors, or even those who may have moved away but still carry a special bond with St. Monica's. A few leaves are still available. Details are available near the Family Tree display. Together, let us continue walking forward honoring our past while building a hopeful future for our parish community.
